For your information, the Senior French Officer of the
LIVE OAK Staff met with General Ely on 17 June to obtain
clarification of the last paragraph of the letter to General Norstad
from General Ely (quoted in reference) Clarification received
is that:

a. The French Government agrees without reservation
with Part Two (Command Structure) of the LIVE OAK study on
Berlin Contingency Planning : Initial Probe of Soviet Intentions.

b. General Ely is having a study made to develop the
French viewpoint on a Command Structure necessary for more
elaborate military measures and has raised the point that any
final decision with regard to the Command Structure should be
